

Sounds License Agreement

The license to use Elite Pianist and the sounds it contains is granted to a single user only. You cannot transfer ownership of Elite Pianist, nor the sounds or program it contains.

Reproduction, duplication or distribution of any sound recordings contained in Elite Pianist, either as they exist or by any means of reformatting, mixing, filtering, re-synthesizing, processing, or otherwise editing for use in other products or for resale, is strictly prohibited without the express written consent of AngelicVibes.

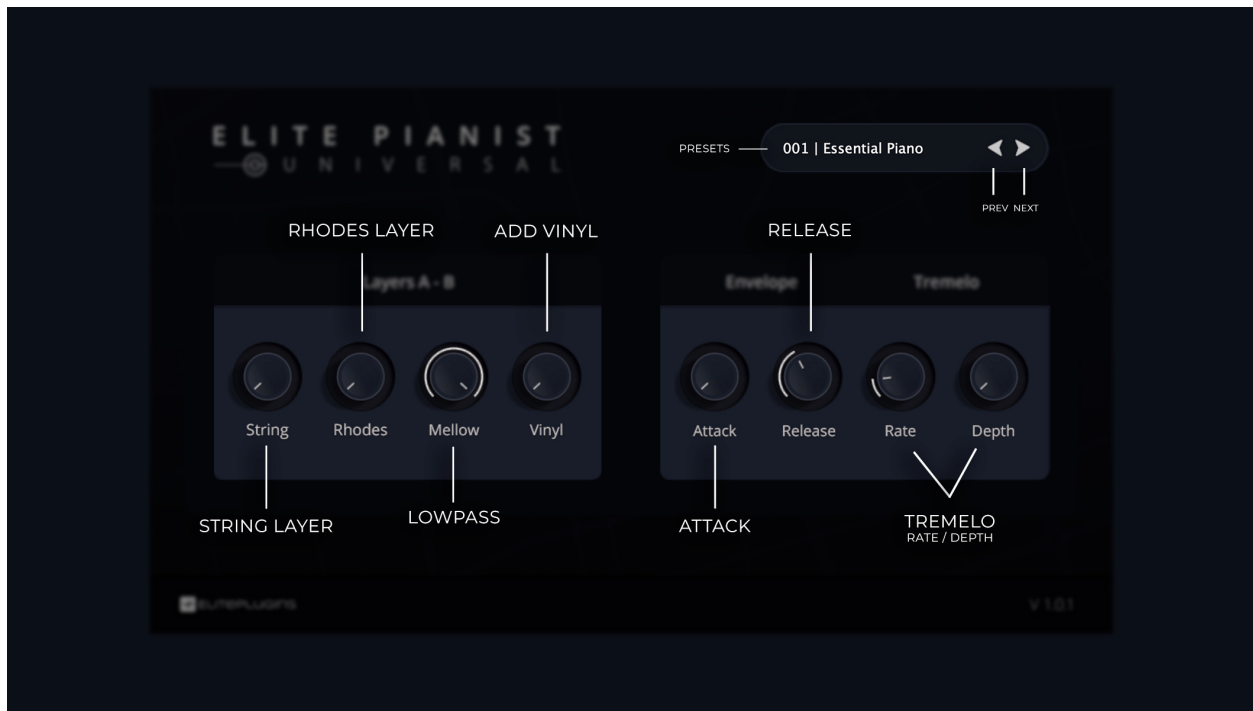

All unauthorized copying, giving, trading, lending, renting, reissuing, redistributing or reselling of Elite Pianist, or any of the sounds it contains, is strictly prohibited.

You cannot electronically transfer or post samples from Elite Pianist to a website, another person, group of persons over the Internet, or place them in a computer/server/website/sampler network to be accessed by multiple users. Use of these sounds in Multimedia/Game Music projects is limited to use within original musical compositions.

AngelicVibes monitors other soundware and software releases to check for copyright infringements and will prosecute all piracy and copyright violations to the fullest extent of the law.

In Plain English:

Please be creative in your application of these sounds and instruments and respect the brand's hard work by keeping them for your use only.
